

A man with glasses and a beard, wearing a purple shirt and headphones, is pointing upwards with his right hand. A woman with short dark hair is looking at him. They are in an office setting with a whiteboard covered in papers and sticky notes. The background is slightly blurred, showing other office workers and large windows.

# External Reviewer

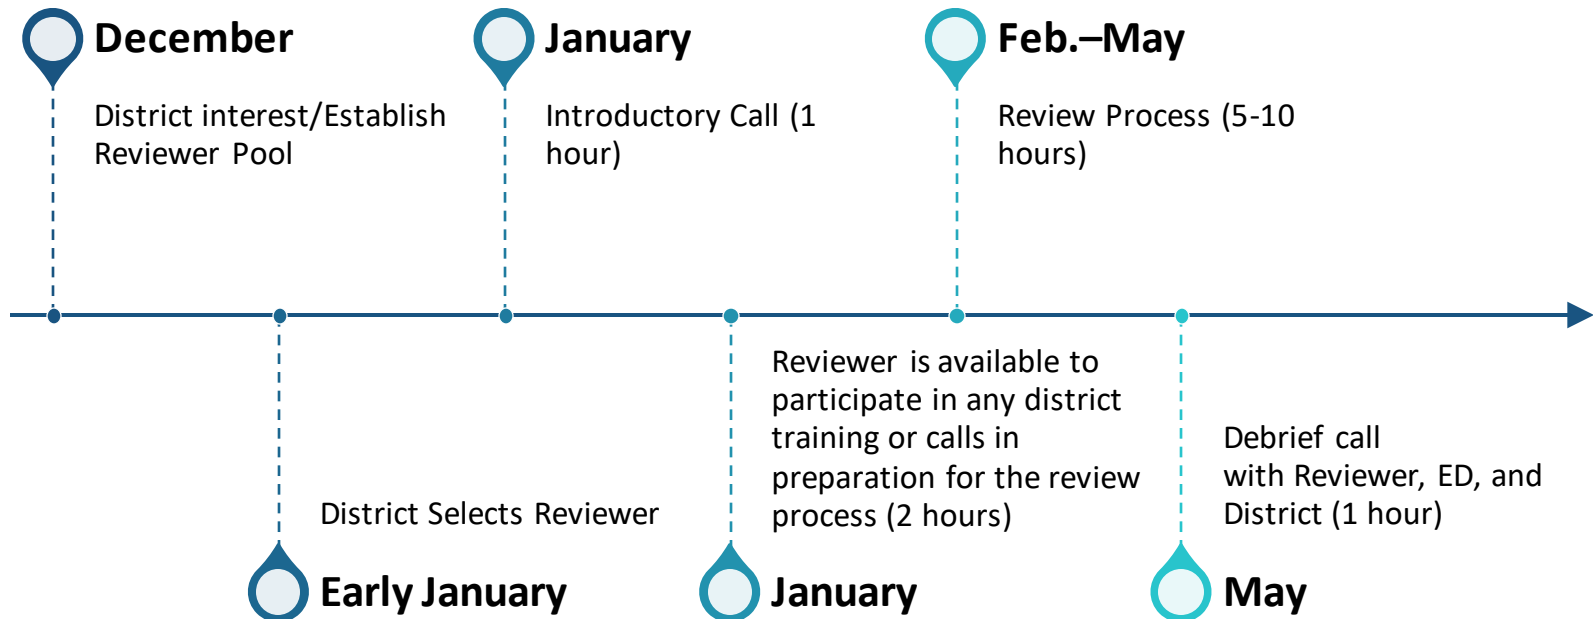

DECEMBER 11, 2020

# What is an External Reviewer?

---

1. Authorizing professionals who have expertise relevant to charter application review.
2. Reviewers consists of national and local authorizing experts.
3. External experts enhance your existing review team by adding expertise in a substantive area that you may not currently have within your team and/or this individual might have expertise with a particular type of school that is relevant to your current applications.
